

27 □□□□□□□□□□□□□□□□□□□□

7

A diagram consisting of a grid of small squares. The grid is 6 rows high. The first four rows are each 20 squares wide. The fifth row is 18 squares wide, and the sixth row is 12 squares wide. All squares are aligned to the left, creating a right-angled triangular shape. The total number of squares is 100.
